Prairie Crossroads Blues Society is a 501(c)3 non-profit organization founded by blues lovers in 2010 to Preserve, Promote and Educate about the Blues.

Let's talk about some of the cool things PCBS has done over the last few years. Our mission is to Preserve, Promote and Educate about the Blues.

PCBS supports blues artists by hosting monthly jams and helping bring regional and national artists to town. Blues education is an integral part of the mission and 10% of any profits will go directly to our Blues Education fund.

BITS

Since our inception one of our major goals has been to educate the area youth about the great American art form known as the Blues.

Our **Blues In The Schools** Programs includes a blues history lesson taught by a PhD student in African-American history. Some feature basic harmonica instruction taught by a professional musician and a free Hohner harmonica for each attendee, others have offered guitar and percussion instruction.

We've held one day **BITS** programs in area libraries as well as two, three and even six week after-school programs at South Side, Thomas Paine, Garden Hills, Wiley School and Don Moyer's Boys & Girls Club. During the 2013 Champaign Blues, Brews & BBQ fest we sponsored workshop on harmonica and other instruments.

Prairie Crossroads Blues Fest Guide to Sponsorship

We invite you to join Prairie Crossroads Blues Society in bringing a blues fest back to CU. As a community-minded business, you can help provide a day of great entertainment. You will be instrumental in creating a one day event where music lovers come together and cut loose.

The event will take place rain or shine as the the music will move indoors in case of inclement weather.

Plans are being made for the musical line-up to include up-and-coming talent as well as seasoned local performers plus regional and national blues artists. Watch the PCBS and BluesFest web pages for more information.
